MOUNT PLEASANT FUNERAL CENTRE

One of Canada's most historic cemeteries, serving the Toronto community since 1876, Mount Pleasant is our most recognized location. Peaceful, sheltered and centrally located, it is the final resting place of many prominent Canadians. Wrought-iron gates enclose lush foliage-lined footpaths that offer a quiet place for reflection. And the funeral centre itself opened in the fall of 2009 to the accolade of Leadership in Energy and Environmental Design (LEED) silver rating. The hallmark of this location is the beautiful two-and-a-half storey sun-filled Sugar Maple Hall with balcony that can be set up to accommodate a variety of faiths. Modern features include ample vehicle parking, state-of-the-art audiovisual technology and elegantly designed visitation and reception rooms that can cater to any number of guests.

CREMATION OPTIONS

Cremation is increasingly chosen as an option for commemoration. Many who choose cremation also choose a lasting memorial, as well as a place for family and friends to pay tribute and remembrance. Ashes contained in an urn are often placed in a columbarium above ground. Alternatively, the urn can be buried within a family grave or in a cremation grave among one of our many cremation areas.

One Love - Forever Cherished Memories

BURIAL OPTIONS

The more traditional option is burial. Whether you choose a single grave or a larger lot that accommodates more space, you can select between a flat marker, a bronze marker, an inscription on a wall, or an upright monument. All are beautiful in their own regard and offer unique ways to pay tribute to loved ones.

OUR STAFF IS HERE TO HELP
