The Purchaser agrees to pay the total contract amount in full prior to the provision of services and supplies specified on the contract.

Financial assistance for burial and cremation services may be available through various governmental agencies, for those who qualify.

Pre-planning arrangements

Payment in full or monthly and quarterly payment plans are available. Interest may apply depending on length of the payment schedule. A fee of $20.00 will be charged on all payments not honored by the financial institution. If a death occurs, the plan must be paid in full prior to the burial or entombment date.

Funding

When Prepaid Services and Supplies are paid in full, the contract pricing is guaranteed. When a death occurs the amount paid plus accumulated interest earned from the trust shall be applied to the prices in effect at the time. If the amount paid plus accumulated interest are greater than the prices in effect at the time, the difference will be paid to the estate of the deceased (the Recipient).
